(21% of county total)

THE AGRICULTURE SECTOR BENEFITS THE ENTIRE COUNTY

Located on the edge of Wisconsin’s Northwoods, Langlade County ranks in the top five Wisconsin counties in vegetable production with potato continuing to be the main vegetable crop. Additionally, dairy production is a significant contributor to the economy. Langlade County is also home to diverse agriculture enterprises that consist of Christmas tree production, aquaculture, maple syrup, poultry and livestock production, and small scale fruit and vegetable farms.

Did you know?

LANGLADE COUNTY IS
No. 4 in Wisconsin’s
vegetables industry

The University of Wisconsin–Madison Division of Extension is part of the local and statewide network of organizations and agencies that support Wisconsin’s \$104.8 billion agriculture industry. Extension helps enhance the economic impact of agriculture by providing research-based information that increases farm profitability, improves food safety, reduces environmental impacts and expands agribusiness networks.
