

# planning stuff

Todd Johnson

A basic review of planning definitions.

# city planning

The planning and control of the construction, growth, and development of a town or other urban area. – Merriam Webster

# urban planning

The planning and control of the construction, growth, and development of a town or other urban area. – Merriam Webster

# community planning

emphasis on people

The planning and control of the construction, growth, and development of a town or other urban area. – Merriam Webster

# community design

emphasis on community decision making

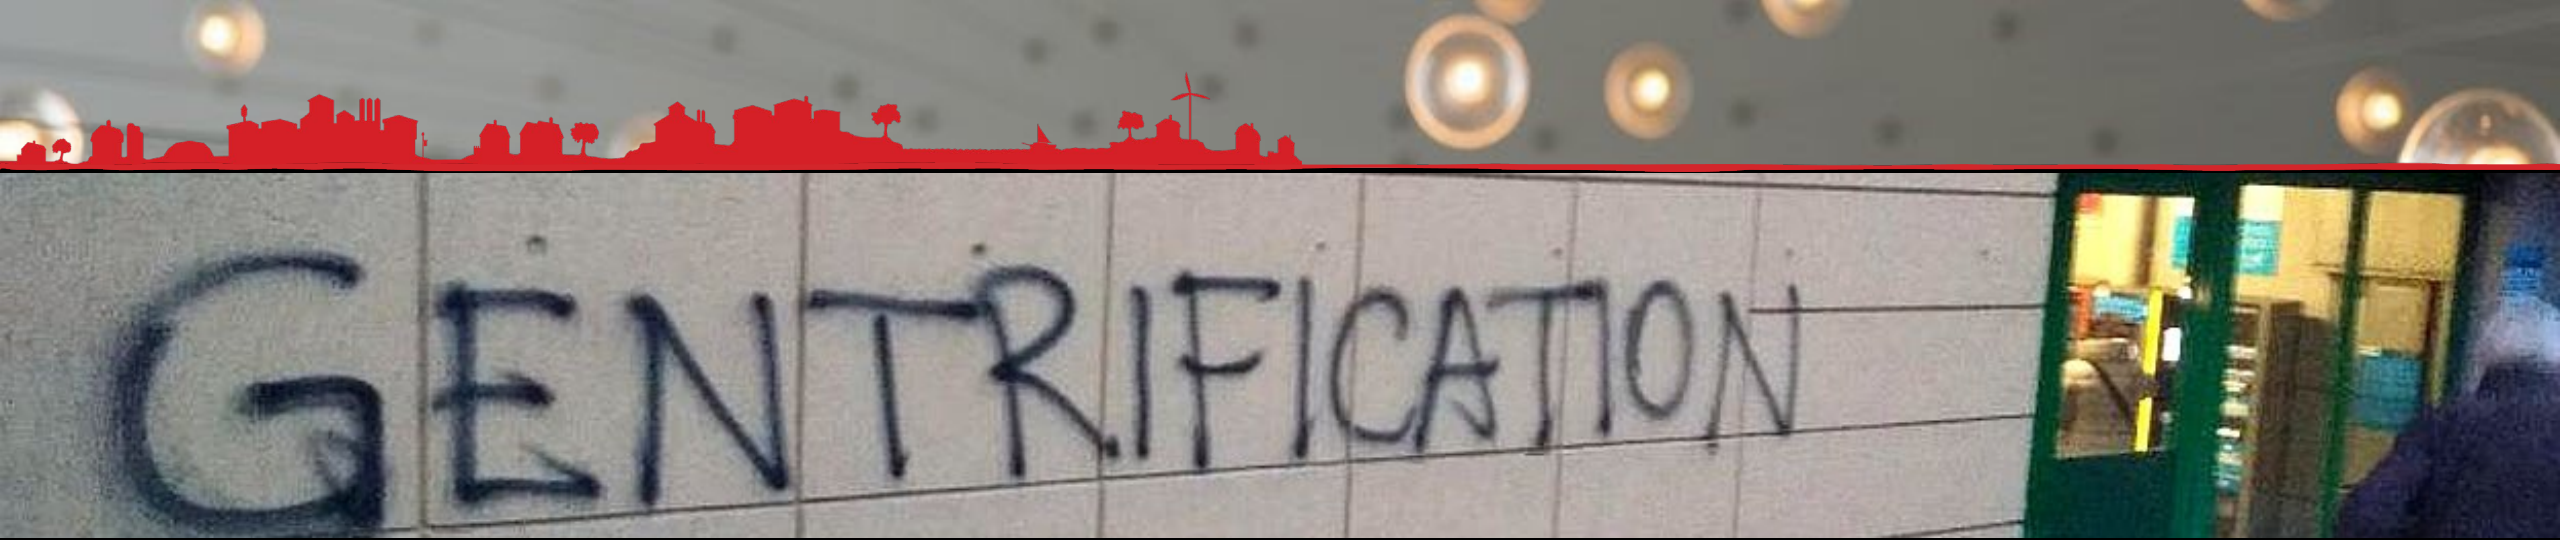

Technical planning and design advice as well as advocacy for communities who could otherwise not afford it. - *Spatial Agency.net*

# community placemaking

emphasis on authenticity of place

Technical planning and design advice as well as advocacy for communities who could otherwise not afford it. - *Spatial Agency.net*  
- *Grabow & Johnson, 2017*

# community placekeeping

emphasis on preserving social fabric

The active care and maintenance of a place and its social fabric by the people who live and work there.

– U.S. Dept. of Arts & Culture, 2016

# community place-knowing

emphasis on holistic context and understanding

Spaces can provoke a rethinking of one's place in time, where time is conceived as generational time, cosmic time and memories. – *Dr. Theodore Jojola, 2021*

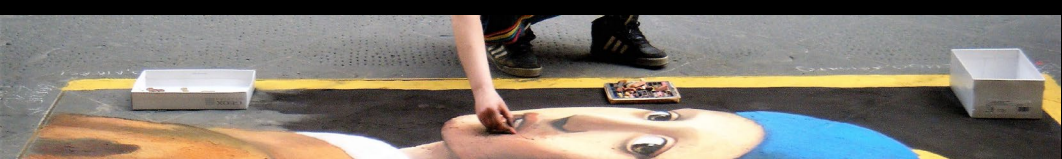

# creative place-making

emphasis on the arts

(An activity) in which partners from public, private, non-profit, and community sectors strategically shape the physical and social character of a neighborhood, town, city, or region around arts and cultural activities. - NEA, 2016
