INTRODUCTION TO FOCUS ON ENERGY

focus on energy[®]

Partnering with Wisconsin utilities

WHAT IS FOCUS ON ENERGY?

- Wisconsin utilities' statewide program for energy efficiency and renewable energy.
- Includes 107 partnering utilities.
- Works with eligible residents and businesses to install energy efficiency and renewable energy projects.
- Provides financial incentives, education, information, and other resources to encourage participation that leads to increased energy savings and reduced utility bills.

WHAT DOES FOCUS ON ENERGY DO?

- Assists Wisconsin residents and businesses in identifying and implementing energy efficiency projects.
- Offers unbiased third-party information and technical assistance to participating utilities' electric and/or natural gas customers.
- Provides financial incentives for energy-saving projects that would not otherwise occur.

BENEFITS OF FOCUS ON ENERGY

**Expert Energy
Advisor
Support**

**Energy Team
Coordination**

**Training
Facility Staff**

**Improving
Return on
Investment**

**Supporting
Energy
Education**

INCENTIVES & REBATES

focus on energy[®]

Partnering with Wisconsin utilities

PRESCRIPTIVE REBATES
