

**WISCONSIN**

OFFICE OF RURAL PROSPERITY

# Federal Resources for Rural Prosperity

- Developing **RuralWI.com** as a statewide resource for state and federal grant opportunities, and providing important information assist rural communities in navigating the Bipartisan Infrastructure Law (BIL).
- Funding a grant writing pilot to connect rural communities with UW- Madison students to create letters of intent, concept papers, and proposals. If your community has a project you would like to submit visit:  
<https://ruralwi.com/contact-us>
- Preparing statewide applications to federal opportunities with state and local partners when a statewide approach would be competitive.
